

FD2128

1.7L RETRO KETTLE

This retro electric kettle by Frigidaire is with a unique design and stylish appearance. Multiple safety features, and made of food-grade 304 S/S and BPA-Free materials.

The cord can be secured at the base when it's not in use, making it a neat and tidy solution for your kitchen worktop. The 360° base means it's ideal for left or right-handed users. A specially designed spout ensures all of the water goes into the cup with fewer splashes and spills.
